Come fly away with Dave DeLuca as he pays tribute to Frank Sinatra in his one man show celebrating Ol' Blues Eyes. Dave was a cast member of the 5th annual Sinatra Birthday Bash, crooning to an audience of over 1500 people at the Count Basie Theatre. What a great way to spend the Saturday night before Valentine's Day! Desserts along with coffee and soft drinks are included in the \$10 admission fee. Due to the intimate coffee house setting of the venue, tickets are limited and sold on a first come first served basis.
