The Little Silver Police Department, in cooperation with the Monmouth County Sheriff's Department, the Monmouth County Prosecutor's Office and the Monmouth County Chiefs of Police Association, is launching the Monmouth County Special Needs Registry on April 20, 2016. The Monmouth County Special Needs Registry is a voluntary program open to all citizens with disabilities or special needs who reside, attend school, or are employed in Monmouth County.

The Registry was created to assist police officers and other emergency service personnel to better serve residents with special needs in the event of an emergency by providing those first responders with vital information regarding a registrant's disability or specific needs, emergency contact information, physical description and a current photograph of registrant. All information on the SNR (Special Needs Registry) will be kept strictly confidential.

The program is very simple. The registrant is invited to fill out a questionnaire with all requested information and provide an up-to-date photo. Once all of the registrant's information is entered, they will be added to the County Special Needs Registry. For more information or to register you or a family member in this valuable program, please go to www.MCSNRNJ.org or call 732-431-6400 ext. 1188. If you have further questions or concerns, please contact Officer Peter Gibson at the Little Silver Police Department at 732-747-5900.
